

Should I buy solar panels from A1 solar store?

If you are looking to purchase Solar Panels, I would highly recommend A1 Solar store. I did not have much knowledge on Solar Panels and/or the benefits of them. A1 SolarStore customer service and knowledge of their panels was outstanding. My purchase of the Silfab 400W panels was made easy and quick with a pick up location right in my area.

Does anyone have feedback on A1 solar store?

like the title asks, anyone have feedback on the A1solarstore? Did you ever use them or hear from others? Yes, I bought 6 LONGi 320W panels from A1 Solar Store. My experience was great. The panels were actually in a warehouse in my state which kept transport costs down. See my review of the panels and the bill of sale.

Did you buy 320W solar panels from A1 solar store?

Yes, I bought 6 LONGi 320W panels from A1 Solar Store. My experience was great. The panels were actually in a warehouse in my state which kept transport costs down. See my review of the panels and the bill of sale. I hope this information will be of help to someone looking for solar panels.

A1 Solar Store is an online shop of solar panels, inverters, batteries, controllers, etc. | Equipment from Canadian Solar, Panasonic, REC, Jinko Solar, Q CELLS, JA Solar, Enphase and other ...

I hope this information will be of help to someone looking for solar panels. I recently made a purchase of six LONGi 320 watt 120 cell LR6-60HPH panels. I got them from A1 Solar Store. The price was \$152 each, plus a flat rate shipping of \$175. So for \$1087 complete, I got a 1920W solar array...

I purchased 10 290watt and 8 320watt REC 120cell panels from A1 last February with no issues. I've noticed

their prices seem less competitive in the last 8 months or so. I've also purchased about 12kW of panels from signature solar with no issue other than 2 damaged panels in one shipment of 10 which they promptly refunded.
