

How does Armenia see the field of Labor and social protection?

"There are different strategic plans and programmes in the field, such as for persons with disabilities, on child protection, for the elderly and other vulnerable groups, but so far there is no unified vision of how Armenia sees the field of labor and social protection, especially after the two crises of COVID-19 and the Nagorno-Karabakh conflict.

Does Armenia have a comprehensive development strategy?

However, Armenia does not have and has never had a comprehensive strategy, although some attempts of development were made in the past. In 2021, the Ministry of Labor and Social Affairs launched a thorough process of review and development, with the support of UNICEF, aiming to engage a wide range of stakeholders in consultation and development.

How did UNICEF support the strategy development process in Armenia?

UNICEF support for the strategy development process was made possible in the framework of the "Making Finance Work for Transformative Change in Armenia: Unlocking Finance for Armenia-2030" joint UN programme, funded by the Joint Sustainable Development Goals Fund.
