Swedish utility Vattenfall has acquired a 51 percent stake in Pandion Ltd., an Irish ocean energy site development company, for 500,000 euros (US\$648,225). Vattenfall said ocean energy developer Wavebob Ltd. will hold the remaining 49 percent of Pandion under an agreement that it said brings opportunities for further partners to participate.

Kerogen Capital is pleased to announce it has made an initial commitment of US\$100 million to Pandion Energy AS ("Pandion Energy" or the "Company"), an exploration and production company focused on the Norwegian Continental Shelf ("NCS"). Pandion Energy will pursue exploration, appraisal and development opportunities on the NCS via acquisitions, farm ...

Aruba is on track to fuel 50 percent of the island's energy needs with wind and solar power by 2014, and is looking to use more natural gas to replace expensive fuel oil. This is especially important in the context of utility prices, which place a huge burden on Aruban households, accounting for 30-35 percent of expenditures.
