

Wernet Solar Solution & Engineering is a company situated in Aruba, Paradera and is specialized in Solar Energy systems for houses and commercial buildings. Our main core business is solar panel installation, but we also sell products which can help you save energy such as LED lights.

Why solar energy?-Clean, renewable energy-Add value to your property-Low maintenance-Makes money for you. We design and supply;-Solar power systems (PV)-Energy audits-Energy saving products. For a free assessment of your house or company please send a request to the following e-mail address i.martinus@gsaruba

A solar panel system is a long term investment and the process for its installation and connection to the Elmar grid can be complicated. Mister Green is here to help, with residential and commercial projects. We have a good relationship with both Elmar and DTI and know how to optimize this difficult process.

Better Solar Aruba: Free energy for Aruba. High quality solar solutions for a better price. We can implement a complete solar panel solution for your home or business but we can also provide you with Cash & Carry DIY solutions.
