

Who supports solar power in the Bahamas?

This goal is supported by the Inter-American Development Bank (IDB) and the Bahamas Development Bank (BDB). Currently, solar power makes up less than 1% of all energy generated in The Bahamas. Oil is responsible for nearly all power generation with a 99% share of electricity production.

What does the Bahamas Ministry of Economic Affairs do?

The Bahamas Ministry of Economic Affairs is the entity responsible for providing vision, strategic direction, policy, and information related to the movement of financial resources, economic diversification and growth.

Will BPL's LNG implementation help 'revolutionise' energy generation in New Providence?

"Meetings will be held with all employees of BPL to ensure that all questions and concerns will be answered." As for transforming energy generation through LNG implementation in New Providence, Mrs Coleby-Davis said this will help "revolutionise" energy generation in the capital.
