

Investors are eligible to put renewable energy projects combined with approved storage capacity on a one-to-one ratio, 1MW/1MWh wind or solar per 1MW/1MWh of energy storage. Aksa Energy had applied for ...

BASF Stationary Energy Storage (BSES), a subsidiary of German chemical manufacturer BASF, has ordered NAS Batteries from NGK Insulators for a large-scale green hydrogen production project, developed by HH2E, a German green hydrogen producer. The NAS batteries that have been ordered have a maximum output of 18 megawatts and a...

At BASF, we create chemistry for a sustainable future. We combine economic success with environmental protection and social responsibility. Through science and innovation we enable our customers in nearly every industry to meet the current and future needs of society.

BASF operates six production facilities in Türkiye (Dilovasi, İzmit, Gebze, Trabzon, Adana, and has recently acquired the Chemetall Türkiye manufacturing site in İzmit) and has offices in Istanbul, Adana, Ankara, Antalya, Bursa, and Izmir.

Investors are eligible to put renewable energy projects combined with approved storage capacity on a one-to-one ratio, 1MW/1MWh wind or solar per 1MW/1MWh of energy storage. Aksa Energy had applied for pre-licensing and would begin developing wind and solar projects with storage as soon as granted.

We, the team of BASF Stationary Energy Storage, fully support you in finding the appropriate energy solution for your individual use case. We are selling stationary storage batteries based on the proven NAS technology, produced by NGK Insulators Ltd.

BASF 2020 at a glance. We create chemistry for a sustainable future. Our chemistry is used in almost all industries. 6 Verbundsites. and. 241 other production sites. 5/13/2021 @ BASF New Business GmbH. Number of employees. ... "Energy Storage" ...

BASF Stationary Energy Storage GmbH (BSES) is a wholly-owned subsidiary of BASF SE. BSES is the exclusive distributor of the NAS batteries and co-develops the NAS technology together with its Japanese partner NGK Insulators Ltd.

BASF Stationary Energy Storage GmbH (BSES) is a wholly owned subsidiary of BASF SE. BSES is the exclusive distributor of the high-energy, long-duration sodium-sulfur batteries (NAS batteries) for stationary applications and co-develops the NAS technology together with its Japanese partner NGK Insulators Ltd.
