It definitely took sometime to dig this out, build the entire sphere, and then start to build the energy storage/platform around it. In the end i just couldn't stop looking at it! Next goal is to have a really cool RF Tools build out including computer craft and such to activate draw bridges and such when a transmitter is dial.

My main remaining issue is power storage. In 1.12 my go-to was Draconic Evolution's energy core, since a couple of trillion RF was ample space for most of my playthroughs. But DE isn't a thing in 1.16, so I need an alternative.
