Diego Garcia is one of about 60 islands that make up the Chagos Archipelago or British Indian Ocean Territory (Biot) - the last colony established by the UK by separating it from Mauritius in 1965.

Best home backup power station British Indian Ocean Territory

After 1945, as Britain was decolonizing former colonies, one last colony--the British Indian Ocean Territory--was created. On November 8, 1965, Queen Elizabeth II and her Privy Council met to create an "Order in Council" --also known as a royal decree--called the British Indian Ocean Territory 1965 Order.
