

Why should you choose Bruynzeel storage systems?

Bruynzeel Storage Systems has received the largest order in its history to provide mobile storage solutions for the National Archives of Sweden. By opting for a mobile storage solution with a movable aisle, the National Archives building is used as efficiently as possible. This saves money, time and CO2 emissions.

The rectangular solutions of Bruynzeel had to find a place within the special spherical shape of the museum. And in such a way that the available space was used optimally. Only with a sophisticated layout can you store 151,000 artefacts of all shapes and sizes in the available space. Bruynzeel has been entrusted with that. [get inspired](#)

The company develops, manufactures, sells and maintains storage systems including office and warehouse storage as well as offers storage solutions to various sectors, thereby helping organizations to increase their inventory levels.
