système de conteneur de stockage d'énergie par batterie au lithium principalement utilisé dans les applications de stockage d'énergie commerciales et industrielles & grande échelle. Nous proposons des solutions OEM/ODM grâce à nos 15 années d'expérience dans l'industrie des batteries au lithium.

The facility became operational in early June 2024, following the installation of Hithium's 16 energy storage containers, each with a 3.44MWh capacity. Hithium's Block 3.44MWh container is an advanced liquid-cooled battery storage system.

The Hithium Block 3.44MWh container is a liquid-cooled battery storage system based on Hithium prismatic LFP BESS cells with a 280Ah capacity and a high cyclic lifetime. It is specially optimized for use in stationary battery storage systems regarding safety, reliability, and ...

The Hithium Block 3.44MWh container is a liquid-cooled battery storage system based on Hithium prismatic LFP BESS cells with a 280Ah capacity and a high cyclic lifetime. It is specially optimized for use in stationary battery storage systems regarding safety, reliability, and performance. Solarpro. 16 containers form the BESS installation.

Container Enclosure Body with Battery Rack: Our first offering is a fundamental container enclosure body equipped with a battery rack. This solution provides our clients with the flexibility to integrate additional components as per their specific requirements, offering a customizable foundation for their energy storage needs. ...

Die Faber Infrastructure GmbH hat im Oktober 2020 den kompakten Solar-Batterie-Container Mobile Power System auf den Markt gebracht. Das intelligente Mobile Power System vereint eine 24-kW-Solaranlage mit einem 80-kWh-Lithium-Ionen-Batteriespeicher und ein Notstromaggregat. So kann schnell eine umweltfreundliche und autarke Grundversorgung auf ...

A 25MW/55MWh battery energy storage system (BESS) has been commissioned in Bulgaria, Eastern Europe, by operator Renalfa IPP, using technology provided by Chinese firms Hithium and Kehua. The project is co ...

"CHS Container Bulgaria" Ltd officially started its activity on the Bulgarian market on July 03 2007, as an exclusive representative for "CHS CONTAINER Handel GmbH" for the country. The young and ambitious team set off to repeat the mother-company's successes on the local market, since recently part of the European Union. The head office of the company, as well as the storage ...
