Price list for installation of a solar installation, upon mandatory inspection: The indicated prices are in Bulgarian levs, incl. VAT. Standard installation includes: Installation of solar panels on a flat or sloping roof, where it is not necessary to make an additional stand or foundation - ...

Energy Act guarantees electricity produced from solar radiation, which usually flows into the public grid to be paid by electricity companies in statutory rates. For every kilowatt-hour electricity provider pays a price higher than the purchase by the consumer.

Solar panels offer a smart energy solution for home and business owners and allow them to buy electricity at a set price per unit. This means homes and commercial properties of consumers will never be exposed to increased energy prices again, which will financial forecasting a lot easier.
