

Who is tripower solar solutions?

Work with us to get the best services. TriPower Solar Solutions is a Caribbean based Solar Energy & LED Lighting Company backed by 25 years of experience with the sole purpose of bringing efficiency through renewable energy to the Caribbean & South American Region and other developing and emerging markets.

Is solar a good option for your business?

Solar is the perfect option for increasing your home's energy efficiency. Investing in solar panel installation and services could allow you to save money on utilities, while also cutting down on your carbon footprint.. Solar energy improves the bottom line for your business, and so much more.

Why should you choose trifactor solar?

WHY CHOOSE US? Trifactor Solar is comprised of persons who have established their competence and good reputation in the respective fields undertaken by the company. They deliver, in no small measure, a wealth of knowledge, skills, experience and commitment to get the job done.

While Solar PV is readily available in Trinidad and Tobago, irradiated heat is also available in abundance. To supplement solar PV which uses the sunlight to produce electricity, we also provide solutions which capture the Sun's heat and convert it to electrical energy.

We offer the widest range of solar powered products right here in Trinidad and Tobago. From solar generators to solar water heaters, solar water pumps, solar AC units, street lights, water purification systems and more. With free site visits, we at Trifactor Solar can guarantee the right products for your sustainable energy needs.

We have the widest range of solar products and services in Trinidad and Tobago. We chose our suppliers based on the quality of their products, affordability and maintenance services. From solar water heaters to solar generating systems, solar lights and more, we have what you need.
