What is Alexandra Battery?

Alexandra Battery is a historic fortification located near The Town of St. George's, and was built in the mid-19th century to defend Bermuda against potential attacks. The battery was originally armed with smoothbore cannon, but it was later upgraded to rifled artillery.

Is Alexandra Battery Worth a visit?

Today, Alexandra Battery is a popular tourist attraction and a reminder of Bermuda's military history. The battery is also located near several other historic sites, including Fort St. Catherine and Gates Fort, which are also worth a visit.

One cabinet should be able to hold at least one complete string of cells. Best practice is that strings should not be split between two cabinets in order to ensure reliability of the entire string. Figure 1 - Battery cabinet with top terminal cells. A battery disconnect switch should be located as closely as possible to the end of a string.
