

Cornex New Energy Co.,Ltd. is a globally-oriented new energy innovation and technology company of lithium-ion battery, which focuses on the development, manufacturing and sales of traction battery and energy management system which includes electrochemical energy storage, electric vehicle, commercial vehicle, construction machinery and others.

A tender has now been published by the Cape Verdean government for the installation and commissioning of four new solar power farms. This project was originally presented in Praia on March 28, 2022. These will provide nearly 3.5 megawatts by June 2025.

????????????????????????????????????????,????????????????????????????????,????????????????????????

Ideal New Energy is a high-tech solar modules manufacturer founded in 2010, which dedicates to developing, and delivering highly reliable, cost-effective solar modules and integrated PV energy solutions. With several years of steady development, Ideal New Energy achieves significant growth in terms of capacity expansion to 1GW.

The Renewable Energy Atlas includes the strategic identification of resource potential, location and analysis of the solar, wind, pumped-storage, geothermal and wave resources, and resulted in the identification of 2.600 MW of Renewable Energy potential in Cape Verde, from which Gesto studied more than 650 MW in feasible

projects that would ...
