

Are IKEA Besta cabinets a good choice?

One of our favorite pieces to work over is the IKEA BESTA, which is part of the BESTA storage system collection. Its mix-and-match cabinets can sit on the floor or be hung on the wall, can be used horizontally or vertically, and come in a range of sizes, colors, and finishes.

Do IKEA organizers fit tall cabinets?

IKEA organizers provide answers to the toughest storage problems. The beauty of IKEA cabinetry is its adaptability. And perhaps nowhere is this more obvious than with IKEA organizers that suit tall cabinets. As IKEA design experts, we know how important it is having things properly stored, yet accessible, in your IKEA kitchen.

Do IKEA cabinets have drawers?

Honestly, tall cabinets can't get any better when they are customized with IKEA drawers. For those new to IKEA, SEKTION offers its signature Drawer-in-Drawer storage option. So, on the outside, you see one drawer -- and it's built as one drawer -- but there are more drawers inside. How clever and convenient!

Can you put IKEA Besta cabinets side by side?

In this cozy kitchen area, @susanne.maassen has lined up a few IKEA BESTA cabinets side by side and added a pad to the top to create a spacious bench for the kitchen table. The added storage certainly can't hurt, and could be used for things like additional seating pads, table linens or even rarely used kitchen accessories or dishes. 5.

Can You repurpose IKEA shelving unit to make a window seat?

Rejuvenate your kid's room with an easy IKEA hack! Crafting a cozy window seat from versatile KALLAX shelves is a cute and easy project. My daughter's wish was for a snug reading nook and extra storage in her bedroom. I'll show you how simple it is to repurpose IKEA's KALLAX shelving unit into a functional and stylish window seat.

What makes a good IKEA kitchen design?

As IKEA design experts, we know how important it is having things properly stored, yet accessible, in your IKEA kitchen. This means having a kitchen design that works with your lifestyle; whether you're an avid cook who needs easy access to ingredients or an on-the-go family that needs a space that is efficient and predictable.
