

What is energy in Sudan?

Energy in Sudan describes energy and electricity production, consumption and imports in Sudan. The chief sources of energy in 2010 were wood and charcoal, hydroelectric power, and oil. Sudan is a net energy exporter. Primary energy use in Sudan was 179 TWh and 4 TWh per million persons in 2008.

What does Cegelec stand for?

Cegelec or Actemium is a French engineering company specialized in electrical infrastructure, HVAC, information technology, nuclear energy development, transport infrastructure, robotics and offering both public and private services.

How much does electricity cost in Sudan?

As for Ethiopia, Sudan imports electricity at a price of 4.5 cents/kilowatt. In August 2021, the Minister of Energy and Petroleum declared that the Sudanese energy sector needed urgent maintenance and restructuring at a cost of \$3 billion, another indicator of the dire financial needs of the sector.

Who owns Cegelec?

Cegelec is split into 15 separate sub-companies, which are all owned by the overarching Cegelec company known as Cegelec Enterprise. After the acquisition, the administration and direction of each company were controlled by Vinci Energies, yet each sub-company maintained their original specializations.

Why did Cegelec redevelop Cameroon's national oil refinery?

In 2010, Cameroon's Soci t  Nationale de Raffinage contracted Cegelec to refit and redevelop Cameroon's national oil refinery. With the refinery's last upgrade in the late 1970s, Cegelec was offered EUR25 million to implement modern pneumatic technology and completely redesign the safety features and protocols of the refinery.

How can Sudan restructure its energy sector from Morocco?

One of the most useful strategies Sudan can adopt from Morocco is the use of new legislation and new policies to restructure the energy sector. This recommended adjustment could encourage future investments targeting renewable production and attract more foreign and local investors to participate in renewable production projects.

VINCI annonce aujourd'hui la r alisation du transfert du groupe Cegelec (  Cegelec  )   VINCI par le groupe Qatari Diar Real Estate Investment Company (  Qatari Diar  ) auquel il a   attribu  dans le cadre de cette op ration 5,78 % du capital et des droits de vote th oriques de VINCI (1).
