

Who is cellcronic technology?

Cellcronic technology is a leading online power backup solution provider in India. We provide Hybrid Inverters, LifePo4 Battery, and Solar Air Conditioner. At Cellcronic, we're not just selling backup solutions - we're empowering your home with uninterrupted comfort, security, and peace of mind.

Where can I contact cellcronic technologies?

Feel free to reach out with any questions or concerns - We can't wait to see you soon! Cellcronic Technologies Pvt. Ltd. Ground Floor 1, Daniyalpur chowk, Airport Road, Karnal, Haryana (132001) feel at home we're here for you Your happiness is our number one priority! Feel free to reach out with any questions or concerns -...

What is a cellcronic inverter?

The Cellcronic inverter is a game-changer for my home. It ensures uninterrupted power supply, making life so much easier. I've been using Cellcronic's inverter for months now. It's durable, efficient, and has significantly reduced our electricity costs. Cellcronic's inverter is a lifesaver during power outages.

Why should you choose cellcronic?

Each Cellcronic product undergoes rigorous testing to ensure it meets the highest standards of performance and durability. We thrive on innovation. Our relentless pursuit of technological advancements ensures that you have access to the latest and most efficient power solutions. We take our responsibility to the planet seriously.

Where are cellcronic AC's made?

Cellcronic AC's are imported from Dubai and are built in a way where environment is protected without going out of our comfort zone. china B0847LWVX8

Is cellcronic AC eco-friendly?

Eco-Friendly AC provides harm to the environment but Cellcronic AC uses latest technology where environmental concern is picked at topmost priority. Cellcronic AC's are imported from Dubai and are built in a way where environment is protected without going out of our comfort zone.

Galaxy 7G is a 7th generation inverter technology. It comes with loaded accessories like Battery wire, ACDC box, CT sensor, Battery temperature sensor, and communication cables. It supports high PV voltage (120~425vdc) for easy PV installation. We can connect 16 inverters in parallel for a big operation.

Crafted out of Lithium Iron Phosphate (LiFePO4) technology, this is a battery built to last. with 4,500+ recharge cycles @80% DOD the 200Ah provides 5X the lifespan than your typical SLA battery. Built in smart BMS which can realize real-time monitoring the battery. It is the best home storage solution available in the market.

The ALPHA PRO inverter features dual outputs, with the second output offering advanced scheduling options for on/off control, cutoff voltage settings, SOC management, and discharge time adjustments through its LCD interface. This ...

Cellcronic a online store for power backup products. We offer everything you need for uninterrupted comfort and security, from industry-leading hybrid inverters and long-lasting LiFePO4 batteries to eco-friendly solar air conditioners. Facebook Instagram . Email

Galaxy 6G is a 6th generation inverter technology. It comes with loaded accessories like Battery wire, ACDC box, CT sensor, Battery temperature sensor, and communication cables. It supports high PV voltage (160~800vdc) for easy PV installation. We can connect 10 inverters in parallel for a big operation.

We at Cellcronic are strong-willed in assisting our customers for their long term electronic requirements. We believe in building chain customers with our qualitative services and authenticity in products. Our heavy battery- best quality inverters monitor and smooth out incoming of electricity during both, high and low voltage conditions. ...

Yes, Cellcronic inverters are designed to meet the needs of both residential and commercial applications, offering reliable performance in various settings. More Questions. You may also like. Lifepo4 Battery. Rack Mounted 2.0 5Kw-48V

Cellcronic 7th generation hybrid AC/DC solar air conditioner is based on full DC inverter air conditioner VRF technology. The main components of our unit is DC inverter compressor, DC fan Motor, Solar MPPT Booster and inverter air conditioner controller. The hybrid ACDC unit power supply from outdoor units, it has MC4 Connector P+/ P- for DC solar panel directly power ...

Compatible with Cellcronic, Deye, Voltronic, and most hybrid inverter brands. 5 year warranty. Good choice for daily power supply. Environment Friendly, No Maintenance, Light Weight. IP54 Waterproof Battery. Key Specifications & ...

Cellcronic a online store for power backup products. We offer everything you need for uninterrupted comfort and security, from industry-leading hybrid inverters and long-lasting LiFePO4 batteries to eco-friendly solar air conditioners. ...

Cellcronic Galaxy 6G EU 3 Kw Hybrid Inverter. Galaxy 6G is a 6th generation inverter technology. It comes with loaded accessories like Battery wire, ACDC box, CT sensor, Battery temperature sensor, and communication cables. It supports high PV voltage (120~425vdc) for easy PV installation. We can connect 16 inverters in parallel for a big ...
