Chad Sorenson President. Chad is one of SunPeak's co-founders and has served as President since the company's inception. With a vast background in business management and engineering, Chad provides both overall leadership for the organization and also enriches the technical expertise of the team.

Solinc started life, in Naivasha, as East Africa's only PV panel producer in 2011, where we specialized in panels for the retail distribution market. However, over time Solinc's reach expanded and we now deal in large solar installations and wholesale supply of panels to the African Continent.

Solinc started life, in Naivasha, as East Africa's only PV panel producer in 2011, where we specialized in panels for the retail distribution market. However, over time Solinc's reach ...

After More than 40 years in residential and commercial construction Chad and Ed Fralick, father/son team, decided to move into the solar business full time. Twelve years and over 6,500 installs later, Hooked on Solar has grown to be the largest family owned solar company in Northern California.

????????2020????????????????????,????????????????????????????????,?????? ...

Drawing on in-depth fieldwork in the solar energy sector in Kenya, we apply a global value chain framework to explore how and why Solinc has been able to sustain its business.
