

Where is Christmas Island?

The Territory of Christmas Island is an Australian external territory in the Indian Ocean comprising the island of the same name. It is located approximately 350 kilometres (190 nautical miles) south of Java and Sumatra and about 1,550 km (840 nmi) north-west of the closest point on the Australian mainland.

How big is Christmas Island?

The Island has an area of 137.4 square kilometres, and includes the Christmas Island National Park (85 square kilometres), which is administered by Parks Australia. The following links provide further information about the essential services provided to the Island:

How is Christmas Island elected?

A unicameral Shire of Christmas Island with nine seats provides local government services and is elected by popular vote to serve four-year terms. Elections are held every two years, with four or five of the members standing for election.

Who has judicial power over Christmas Island?

The act also gives Western Australian courts judicial power over Christmas Island. Christmas Island remains constitutionally distinct from Western Australia, however; the power of the state to legislate for the territory is delegated by the federal government.

Who governs Christmas Island in Australia?

An administrator appointed by the governor-general represents the monarch and Australia and lives on the island. The territory falls under no formal state jurisdiction, but the Western Australian government provides many services as established by the Christmas Island Act.

Is Christmas Island a maritime hazard?

The narrow fringing reef surrounding the island poses a maritime hazard. Christmas Island lies 2,600 kilometres (1,600 mi) northwest of Perth, Western Australia, 350 km (220 mi) south of Indonesia, 975 km (606 mi) east-northeast of the Cocos (Keeling) Islands, and 2,748 km (1,708 mi) west of Darwin, Northern Territory.
