Is macsell a good company to buy a solar charger?

Macsell gave us a top class buying experience with the Sun brand 10.2KW hybrid solar charger we ordered on 23 September. It was delivered undamaged to Port Elizabeth on 3 October. The contents were exactly as described on their website, and installed with no problems at all. Highly recommend. Date of experience: September 25, 2024

Do you recommend macsell solar outlet?

Will recommend MacSell solar outlet to anyone looking for back up/solar equipment. Very good prices and quality products. Thank you Date of experience: June 06, 2023 Thank you for your feedback and support...! Order solar street light. I've attached to a high wall on side of the house so that the light covers the driveway and front of the street.
