

Did BP and ADNOC meet in Cyprus?

Reuters reported in August, citing sources, that Adnoc and BP had met with Cypriot energy ministry officials to discuss investments in the country's natural gas sector. Cyprus has issued several licences for offshore gas fields since 2007 and Papanastasiou said first gas from blocks in the eastern Mediterranean could reach markets in 2027.

Is Abu Dhabi interested in Cyprus' natural gas sector?

REUTERS/Nabila Eltigi/File Photo Purchase Licensing Rights ABU DHABI, Nov 4 (Reuters) - United Arab Emirates energy giant Abu Dhabi National Oil Co. (Adnoc) has expressed interest in Cyprus' emerging natural gas sector, the country's energy minister told Reuters on Monday.

When will Cyprus start producing natural gas?

REUTERS/Yiannis Kourtoglou Purchase Licensing Rights NICOSIA, Feb 14 (Reuters) - Cyprus could start producing its first natural gas as soon as 2026, and plans to participate in a high-powered electricity cable project linking the eastern Mediterranean to continental Europe, its energy minister told Reuters.

Will Cyprus find its first offshore gas in 2022?

Cyprus reported its first offshore gas discovery in 2011, but it is one of the newer discoveries in 2022 - by a partnership of Italy's Eni (ENI.MI) and France's TotalEnergies - which is likely to be developed first, Commerce, Industry and Energy Minister George Papanastasiou told Reuters.

Will Cyprus get gas in 2027?

Cyprus has issued several licences for offshore gas fields since 2007 and Papanastasiou said first gas from blocks in the eastern Mediterranean could reach markets in 2027. The Reuters Power Up newsletter provides everything you need to know about the global energy industry.

Did Cypriot ADNOC make a proposal to the government?

Cypriot Energy Minister George Papanastasiou said Adnoc had not made any formal request or proposal to the government, though it had expressed interest "quite a number of times". "They expressed interest for the eastern Mediterranean," Papanastasiou said on the sidelines of an Abu Dhabi energy conference.
