

From household application to industrial use, these batteries will run for a long time and power your respective homes and various businesses. Haus strom tubular 220AH/12V Tubular Inverter Battery is specially designed for optimum performance, very long life, and high reliability.

Built to Endure: Robust construction and superior tubular plates guarantee long battery life and dependable deep cycle performance. **Perfect for Solar Systems:** This battery seamlessly integrates with solar setups, allowing you to maximize clean energy potential and embrace a sustainable future.

Hausstrom tubular batteries are designed to deliver consistent and reliable power every time. their plates are engineered to provide higher efficiency while maximizing battery life, which also ensures that the tubular battery price stays competitive.

These batteries perform brilliantly in heavy duty applications and are capable of withstanding even long and frequent power cuts. The tubular batteries come in two variants, economy and classic, to suit distinct needs.

HAUSSTROM 220AH TUBULAR BATTERY-HS-22043 TUBULAR(HAPB177) quantity. Add to cart. Chat with sales. SKU: 19HSTTBL220AH Category: Battery. Brand : HAUSSTROM . Payment Methods. Online Payments / Bank Transfer; Guaranteed Safe Checkout. Features ; Brand ; More Products ; 220AH TUBULAR BATTERY-HS-22043 TUBULAR(HAPB177)

The float life of the battery is defined in calendar years at a standard temperature of 25°C, when floated with a charge voltage of 2.25 volts per cell. The expected float life of batteries at various average ambient temperatures, when floated with a voltage of 2.25 volts per cell is shown in graph. 14 12 10 20 Float life Characteristics 45
