

Dangerous Goods Services. Our dangerous goods and cargo compliance services cover all aspects of the carriage of dangerous goods, from identification to packaging, marking, labeling and documentation.

Our Mission Hazardous Specialist Denmark promises to ensure that your consignment is packed, properly consigned and documented in accordance with all applicable transport regulations, no matter how stringent.

Dangerous goods are items or substances which, when transported, could pose a risk to health, safety, property or the environment. They need to be packed properly, handled carefully and shipped with the required expertise to ensure they arrive safely at their destination.

DG Xperts er et nystartet firma med mange års erfaring i pakning og dokumentation af farligt gods. Indehaver Tommy Søgaard har gennem de seneste 12 år dagligt arbejdet med håndtering af farligt gods, både når det sendes med lastbil, skib eller fly.
