

Is savosolar acquiring Meriaura Oy and biolaite Oy?

The company description concerns the share exchange through which Savosolar Plc plans to acquire all the shares in Meriaura Oy and its fully owned subsidiary Biolaite Oy (name change to VG-EcoFuel Oy pending). Savosolar with its highly efficient collectors and large-scale solar thermal systems has taken solar thermal technology to the next level.

Is savosolar still a company?

The Savosolar name will remain in use by the new company as an auxiliary business name and as a well-known and respected high-class brand in the solar thermal market. Savosolar's solar thermal business will be part of Meriaura Energy's renewable energy business.

What happened to savosolar Oy?

Savosolar changes its name to Meriaura Group and sells its solar thermal business to its subsidiary Meriaura Energy. As decided in Savosolar Plc's Annual General Meeting on 12.5.2023, the name of Savosolar Oy will change to Meriaura Group Oy, Meriaura Group Abp in Swedish and Meriaura Group Plc in English.

What does the new corporate structure mean for savosolar?

The renewed corporate structure clarifies the Group's administration and business operations as a whole. As of 1.6.2023, Savosolar's entire personnel will transfer to Meriaura Energy as existing employees, with the exception of the Group's CEO, CFO and administrative assistant, who will remain in the service of the parent company.

Savosolar's solar thermal business will be part of Meriaura Energy's renewable energy business. The aim of the planned changes is to clarify the corporate structure by separating the renewable energy business unit from ...
