

Who is onepower Lesotho 1pwr?

Khotso! Welcome to OnePower Lesotho 1PWR is a fast-growing startup based in Lesotho whose mission is to provide affordable and reliable electricity services to off-grid villages, giving families, schools, health clinics, and local businesses the resources needed to grow and thrive.

Is Lesotho launching a solar mini-grid project?

The second phase of a pioneering solar mini-grids project in Lesotho is underway following the completion of a pilot project funded by REPP in Ha Makebe village, north-east of Maseru.

Will Lesotho be able to pilot a hybrid solar PV mini-grid?

Successful pilot hybrid solar PV mini-grid in Lesotho paves way for a further 10 mini-grids that will provide first-time energy access to 30,000 people and clean power to seven health clinics.

OnePower is bringing power to rural regions of Lesotho in the sustainable form of microgrids. Communities that are far away from major population centers might be far away from the main grid, but with the microgrids, that OnePower is creating they can sustain themselves and be immune from any damage that major power grids might incur.

Local developer OnePower has embarked on an ambitious plan to roll out nine solar PV mini-grids in

Lesotho's rural areas, including Thaba-Tseka, Mahale's Hoek, Qacha's Nek, Mokhotlong and Quthing. The company is already developing Lesotho's first utility-scale solar PV plant, a 20MW PV plant in Mafeteng (AE 394/11, 358/13).

OnePower (1PWR) is a solar power developer based in Lesotho with both on-grid and off-grid projects. A consortium led by 1PWR won Lesotho's first tender for a utility scale 20MW PV plant, and 1PWR designed, built and operates the nation's first fully licensed and privately financed minigrid at Ha Makebe in Berea district.
