

What services does Ameresco offer?

Learn about our capabilities in solar farms, off-grid solar, solar thermal and community solar, as well as financial options available to fund solar power development. Ameresco provides a range of solar energy solutions, including solar farms, off grid solar, brownfield solar farms, solar thermal and solar canopies.

Who is Ameresco solar?

Ameresco Solar - Green. Clean. Sustainable. We distribute solar components, manufacture solar panels, and engineer solar systems. [Get A Quote Now!](#)

What can Ameresco do for You?

Ameresco can develop, engineer, build, own, operate, finance, and maintain solar power systems, providing a complete solution. We could operate and maintain your existing solar power system or assist with financing for a new construction.

Does Ameresco have a capital lease?

Ameresco designs, builds, and operates the PV system, and a bank puts up the capital and owns the system for 10 to 15 years. A capital lease provides loan financing with all the benefits of ownership: Investment Tax Credit, depreciation, solar incentives and 100% of the solar cost savings.

Will El Aromo boost Ecuador's solar power?

Ecuador's Energy Makeup El Aromo is set to boost Ecuador's solar capacity almost tenfold, adding 258MW to the current output of 27MW. While this reflects a dramatic increase, it represents only a very small part of the national energy mix.

Does Ecuador have a solar energy policy?

He notes that Ecuador currently has only one energy policy related to photovoltaic solar energy: a net-metering policy introduced in October 2018 to promote distributed generation and to allow residential, commercial, and industrial operators to consume power generated using their own solar equipment.

As a major solar distributor we sell products to both retailers (who resell our products) and end-users. We rely on our retailers to provide our products in small quantities to individual customers. Creating quotes allows us to provide the best pricing to each user group without competing with our larger retail customers.
