

Who is everexceed UK R&D?

EverExceed UK R&D continuously developing the lithium technology for more than decades to make devising innovative solutions to utilize the technology in widespread industries including wall mounted lithium battery, rack mount lithium battery, telecom battery, solar lithium battery, UPS lithium battery, motive lithium battery solution.

Where is everexceed located?

Section A, Floor 19, Senhainuo Kechuang Building, DeZheng Road No.5, Shilong Community, Shiyan, Bao'an District, Shenzhen, China. As a high-tech enterprise and specialized & sophisticated SMEs, EverExceed focuses on the R&D, production and marketing of energy storage systems, renewable energy and lithium batteries, etc for energy storage systems.

What does everexceed do?

EverExceed actively explores and discovers a new world with ever-growing energy and solutions. EverExceed offers industrial battery chargers and DC power systems that use the latest 6 pulse & 12 pulse IGBT technology offering high input PF and greater efficiency.

Who is everexceed industrial company?

Established UK company. Established Shenzhen EverExceed Industrial Co., LTD and set it as the headquarters. Attained ISO 9001 and 14001 certificates. New generation industrial charger was developed successfully and obtained a number of patent certificates. Set up industrial power plant. Data Center solutions began to be on sale.

Is everexceed a certified factory?

EverExceed is the ISO9001 & ISO 14001 certified factory, can provide wide range of uninterruptible power supplies to meet the diversified requirements of global customers. Our UPS are verified with TLC, CE and energy conservation certificates.

How many countries has everexceed been registered?

EverExceed brand was successfully registered in 2004. Furthermore, EverExceed brand has been successfully registered in more than 80 countries. At the same time, we actively explore the market globally and our products were sold well in more than 100 countries.

EverExceed is a global leading Chinese provider of energy storage system with 20+ years lithium ion battery manufacturing experience; we are dedicated to the R&D, manufacturing, and sales of Safer, Smarter, Simpler lithium batteries and energy storage system as one-stop solutions.

EverExceed is a global leading provider of energy storage system with 20+ years? battery manufacturing

experience; We can offer Safer, Smarter, Simpler battery energy storage system (lithium battery/lead acid battery) and solar systems.

EverExceed Industrial Co.,Ltd focuses on industrial power products for many years. We offer lithium battery,lead acid battery,modular UPS,rectifier battery charger,smart cabinet. We supply worldwide reliable power solutions with continuous innovative technologies.

EverExceed is a global leading Chinese provider of energy storage system with 20+ years lithium ion battery manufacturing experience; we are dedicated to the R& D, manufacturing, and sales ...

EverExceed is a global leading provider of energy storage system with 20+ years battery manufacturing experience; we can offer Safer, Smarter, Simpler battery energy storage system (lithium battery/lead acid battery) and solar systems.

EverExceed inherited the British technology since 20th century with the revolution and development of energy and power products. As the National High-tech Enterprise, EverExceed is always specializing engaged in R & D, production, sales of energy storage solution, renewable energy solution, critical power solution, data center solution as well ...

EverExceed 108 cell half-cut solar modules are assembled with multi-busbar PERC cells, the half-cell configuration of the modules offers the advantages of higher power output, better temperature-dependent performance, reduced shading effect on the energy generation, lower risk of hot spot, as well as enhanced tolerance for mechanical loading.
