Who is evergreen solar?

We developed our one-of-a-kind marketplace with funding from the U.S. Department of Energy to make clean home energy solutions affordable and accessible to all. Read reviews for EVERGREEN SOLAR,a Energy Efficiency,High Efficiency HVAC,Solar PV,Energy Storage companysince 1996 based in Citrus Heights,CA.

Are evergreen solar panels a good choice?

We are very happywith the equipment quality and energy provided by our Evergreen Solar panels. Our true up bill is very minimal,so the number of panels (20) for our house is spot on,and finally the quote and cost was the lowest we found on Energy Sage for the latest high quality panels,with Solar Edge monitor system.

Who supports the Fiji solar project?

IFC has been supported by the governments of Australia and New Zealand through the Fiji Partnership and the Danish Governmentto carry out this solar project in Fiji.

Why should I Choose Evergreen Solar?

He scheduled the install and his guys showed up on-time and made quick work of installing the system. The Evergreen team was very friendly, clean and professional. Once they were done they cleaned any mess up and even called the next day just to make sure we were happy with the job. A class act right here!! 100% recommend Evergreen Solar.

Why is IFC advising Solomon Islands on the Tina River hydropower project?

As part of its push for the use of more renewable energy sources,IFC has also been advising the government of Solomon Islands on the Tina River Hydropower Development Project,which will see the nation go from almost total reliance on imported diesel to generating the majority of its power needs from renewable energy.
