

The walk along the harbour front to reach the start of the solar system planets walk is beautiful. The sun itself is a lovely sculpture with the first few planets easy to find. It then gets extremely tricky to find the rest, scattered in the hills around Stanley.

You are here > Home > Things to Do > Solar System Sculpture Walk. Solar System Sculpture Walk. Stanley. About. Designed and constructed by local sculptor and artist Rob Yssel, this 1:1 billion scale model is made from recycled local materials and is the only one of its kind. All the planets are in line of sight and the sun sculpture is ...

Visit the whole of the Solar System in just a day! This glorious walk is quite a challenge but is unusual, if not unique, in the ability to tour such a scale model, in this length of time. The terrain varies but in most places vehicle tracks are easily found.

The Falkland Islands Museum is located at the historical dockyard site in Stanley, the capital of the Falkland Islands in the South Atlantic Ocean. Falkland Islands Museum and National Trust is situated 2,500 feet east of Solar System Sculpture.

A scale model of the solar system, described as "unique" by its creator, was unveiled in Stanley on Saturday afternoon by Miss Sukey Cameron, Falkland Islands Government Representative in London ...
