

Who is Faradion Limited?

If so, then please Faradion Limited is a company registered in England & Wales. Registration No. 07338748. Welcome to Faradion, the world leader in non-aqueous sodium-ion cell technology that provides cheaper, cleaner energy.

What is Faradion battery?

About Faradion Faradion is the world leader in Sodium-ion battery technology that provides low cost, high-performance, safe and sustainable energy. Its proprietary technology delivers leading-edge, cost-effective solutions for a broad range of applications; including mobility, energy storage, backup power and energy in remote locations.

Where is Faradion based?

Based out of Sheffield and Oxford in the UK, Faradion provides access to high density, sustainable, and competitive-cost battery technology. RNE SL will use Faradion's state-of-the-art technology at its proposed fully-integrated energy storage gigafactory as part of the Dhirubhai Ambani Green Energy Giga Complex project at Jamnagar.

Who owns Faradion battery?

Reliance initially announced its interest in Faradion in December 2021, with the acquisition valued at ₹100 million with RNE SL investing ₹25 million as growth capital in the company. Based out of Sheffield and Oxford in the UK, Faradion provides access to high density, sustainable, and competitive-cost battery technology.

Who founded Faradion?

Dr Chris Wright, Chairman and Co-Founder of Faradion, said: "Dr Jerry Barker, Ashwin Kumaraswamy and I founded Faradion in 2010 to develop sodium-ion technology and bring it to market, with funds from Mercia Asset Management.

When was Faradion acquired?

Faradion was acquired on 05-Jan-2022. Who acquired Faradion? Faradion was acquired by Reliance Industries. Discover how our experts ensure you're getting the most accurate financial data in the industry. Our data operations team has logged over 3.5 million hours researching, organizing, and integrating the information you need most.

Reliance New Energy Solar Ltd (RNE SL), a wholly-owned subsidiary of Reliance Industries, has acquired the remaining equity stake of nearly 8% in Faradion Limited, a leading sodium-ion battery technology company.

Welcome to Faradion, the world leader in non-aqueous sodium-ion cell technology that provides cheaper,

cleaner energy. Our patented chemistry delivers a high performance, safe and cost-effective battery solution for key applications, such as transportation, storage, back-up power and energy in remote locations.
