Hello! I'd love to be able to visit the Faroe Islands for the solar eclipse, but is it going to be wishful thinking? Seems near on impossible to get there from the UK, why so few flights and no ferry? Organised tours seem to be in the region of £2500 and I think I'd throw myself in the sea with cabin fever after a couple of days on a cruise.. Am I dreaming in the hope of doing this trip for ...

Reply Danijela WorldGlimpses August 11, 2018 at 12:33 pm. Would love to visit! Judging by your photos, Faroe Islands look surreal with all those hills emerging from water and small houses that seem like they're about to tumble down any time. :-) Love the scenery and how it all comes gloomy and dark and then you have a white house with the red roof popping out.

TIP: The Faroe Islands are a paradise for hikers and some of the most beautiful places can only be reached on foot, so pack your hiking gear and explore. Here you can read more about 5 spectacular hikes that you ...

In case you couldn't tell from all my posts, I LOVED spending 3 days in the Faroe Islands and I highly recommend visiting! :-) The landscapes were amazing to photograph, and it's the most remote place I've visited so far. I would have stayed for a week (or longer), but we didn't have that much time to spare.
