Which countries have topped ESG?

This marks the first time Finland has received top honors after overcoming perennial ESG powerhouses, Sweden and Norway. Finland edged out Sweden, which fell to second, followed by the Scandinavian trio of Denmark, Norway and Iceland. Other high performers include European names as well as New Zealand, Australia and Canada.

Which countries have the Most ESG losses?

When considering all 150 countries of the ESG universe, Chad, Libya, Central African Republic, Sudan and Yemen occupy the bottom ranks. Hong Kong leads the list of countries with the unsavory distinction of having the largest losses over the past three years.
