Is a solar park in French Guiana ready for green hydrogen production?

French hydrogen technologies developer HDF Energy (EPA: HDF), investment fund Meridiam and petroleum operator SARA have launched construction of a solar park with batteries and 16 MW of electrolysers for green hydrogen production in French Guiana.

How much daylight does French Guiana have?

French Guiana is situated in northern South America, close to the equator. It, therefore, boasts 12 hoursof daylight throughout the year, which will allow the CEOG solar-cum-green hydrogen power project to operate consistently as a baseload facility all year round.

How will EDF power French Guiana?

It will be connected to French Guiana's electricity grid through EDF's substationin Saint-Laurent-du-Maroni. The facility will provide reliable and clean electricity to power up to 10,000 French Guiana households. It will meet half of the energy demand in Saint-Laurent-du-Maroni and the Mana commune of French Guiana.

When will a Guyanese power plant be injected into the grid?

It will be injected into the Guyanese electricity grid and its production will be governed by a 25-year capacity contract with French utility EDF. The construction work will start on September 30 and the commissioning is scheduled for April 2024.

Will Guyana's new power plant provide a year-round electricity supply?

It will provide year-round supplyfor the equivalent of 10,000 homes in Western Guyana at an estimated lower cost than the territory's diesel plants. The plant is designed to provide electricity 24 hours a day, without interruption and without generating greenhouse gases, fine particles, noise or smoke.

Bordeaux (FRANCE), September 30th, 2021.HDF Energy (mnemonic code: HDF) and its equity partners, the infrastructure fund Meridiam and the petroleum operator SARA (Rubis Group) today announced the start of the construction of CEOG Renewstable® Power Plant in French Guiana.CEOG is the world"s first multi-megawatt hydrogen power plant, and the ...

Covering an area of 83,534 sq. km, French Guiana is located on the northeastern edge of South America ench Guiana is not an independent nation but rather an overseas possession of the French. Its relatively large land area actually makes it France's 2 nd largest region. French Guiana shares a border with both Brazil to the south and east and with ...
