All of the islands of the French Southern Territories have large populations of penguin, albatross, and seals. Early-20th-century introductions of rats, cats, rabbits, pigs and goats have now mostly been eradicated but left their mark on ...

Global Battery Alliance launches Battery Passport pilots The Global Battery Alliance (GBA) has just launched the second wave of its Battery Passport pilots, which includes 11 pilot consortia. This second wave will establish the Minimum Viable Product of the GBA Battery Passport with a product-level ESG (Environment, Social, Governance) score.

Which Residential Battery Storage is Best for Your Home? Regardless of whether the system uses AC or DC coupling (or both), lithium batteries are the clear market leader for grid-tied energy storage systems, and are replacing lead acid batteries in off-grid installations as well.

I promised myself that my worldwide airmail collection would only go through 1950. Then I discovered the absolutely amazing issues of the French Southern Antarctic Territories. Of course, the forerunner issued by Madagascar was issued in 1948. But, I simply had to continue with some more issues through 1965 because of their engraved beauty.

Lead acid batteries have been the traditional home battery storage technology for living off-grid with multiple days of storage, but have shorter lives and are costlier to use than lithium batteries. There is a wide selection of lead acid batteries available at different price points, made by manufacturers like Hawker, Crown, Trojan, Rolls, and ...

## French Southern Territories best home batteries
