

Als intelligent model is de pulse neo perfect geschikt voor ieder "smart home" dankzij zijn VS-XS-besturingssysteem, dat flexibel uitgebreid kan worden. Hij overtuigde tevens onze klanten en won de test in de categorie "Energie" bij de peiling naar de keuze van lezers.;

The neo:6a builds on the success of the neo:8a with dedicated audio breakout from each HDMI source creating the perfect solution for extending into audio distribution and amplifier products. Supporting HDBaseT Class B, the neo:6a can extend 4K up to 40 metres (130 feet) and 1080p up to 70 metres (230 feet).

As a smart model, the pulse neo is perfectly suited for every smart home thanks to its VS-XMS operating system which can be flexibly expanded. It also convinced our customers and won the test in the "Energy" category in the reader's choice poll.;
