

Collective Energy Africa (CEA) is the African branch of Eft-Systems GmbH. Being established in Kenya in July 2021 CEA aims to introduce BYD technology in the sub-Saharan market by developing locally the after-sales service and ...

At Collective Energy, our mission is to transform energy storage across Africa with top-tier BYD BatteryBox LFP products. We began our journey in Kenya, where we quickly became the leading distributor of lithium-ion batteries in East Africa.

Collective Energy Africa (CEA) is the African branch of Eft-Systems GmbH. Being established in Kenya in July 2021 CEA aims to introduce BYD technology in the sub-Saharan market by developing locally the after-sales service and purchasing operations.

Established in July 2021 in Kenya, Collective Energy Africa (CEA) swiftly emerged as a leading distributor of lithium-ion batteries in Africa. Focused on introducing BYD, a global leader in lithium battery technology, to sub-Saharan markets, we take pride in excelling in after-sales service and local purchasing operations.

At Collective Energy Africa (CEA), service is not just an add-on--it's the core of what sets us apart. We believe that delivering top-tier energy solutions is only the beginning. Our commitment to our customers extends beyond the sale, ensuring that ...

Collective Energy Africa is the African branch of Eft-Systems GmbH. Being established in Kenya in July 2021, CEA aims to introduce BYD technology in the sub-Saharan market by developing local after-sales service and getting products as close to the market as possible.

Collective Energy Africa is the African branch of Eft-Systems GmbH. Being established in Kenya in July 2021, CEA aims to introduce BYD technology in the sub-Saharan market by developing locally the after-sales service and purchasing operations.

At Collective Energy Africa (CEA), our mission is to transform energy storage across Africa with top-tier BYD BatteryBox LFP products. We started in Kenya, where we quickly became the leading distributor of lithium-ion batteries in East Africa, and now we are bringing our expertise to the entire continent with subsidiaries in Kenya, Uganda and ...
