

Will Greenlight planet become Sun King?

We have an announcement to make! Greenlight Planet will now simply become- Sun King!"Sun King" - it's been the name of our products from day one, and most customers already think Sun King is the name of our company. So, we'd like to retain this and completely transition to an already popular identity.

Does Greenlight planet offer solar home systems?

Greenlight Planet offers solar home systems and financing to off-grid communities in 62 countries, relying on the direct-to-consumer, pay-as-you-go (PAYG) model. Its line of Sun King solar-powered products includes lighting, home energy systems, phone chargers, radios, fans, and soon-to-be-released TVs.

Is Greenlight Planet a good choice?

Anish Thakkar, co-founder of Greenlight Planet, believes it was a good choice because "a lot of the innovations and adaptations we have made to our model have been because of realities on the ground in Bihar, and they will work in other states." For more information, you can email Anish at anish@greenlightplanet.com.

Can Greenlight help finance products in India?

Greenlight has connections in India and can help finance products there if Greenlight is interested. We're also looking at other companies that sell products Greenlight could possibly sell through their channel, and we would definitely facilitate those connections.

Greenlight Planet (GLP) BRINGING AFFORDABLE AND ACCESSIBLE PAYG SOLAR TO NEGLECTED REGIONS OF UGANDA. ... Northern districts are characterized by poor infrastructure, low income levels and low population density, which all lead to a high cost of doing business.
