

What is GreenTech Solutions?

GreenTech Solutions Ltd. is a green energy oriented startup focusing on solar power products and innovation technology. They have been sourcing since 2004 to establish reliable cooperations with leading players in the industry.

Why should you choose GreenTech Solutions Group?

GreenTech Solutions Group delivered lighting solutions for Acucote Inc., which resulted in a 67 percent reduction in annual lighting energy. Because the operating costs of energy efficient lighting as a service are so low, our customers see an immediate positive cash flow after upgrading. MONTHLY PAYMENTS THAT ARE LOWER THAN THE YIELDED SAVINGS

Is GreenTech a good company?

GreenTech is quick to respond and offers competitive prices. Scheduling is easy and fast. They do a great job, and they clean up the site as if they were never there. They even did a walkthrough with me to make sure I was satisfied with the job and showed me how to change the different settings in the lights.
