

What is happening in Guatemala?

PERALTA: To Bernardo Arevalo, what is happening in Guatemala is part of something bigger. In Central America, there has been a huge democratic backslide. In Nicaragua, institutions have been co-opted to keep President Daniel Ortega in power off and on for almost 30 years.

Are Guatemalans politized?

The election drama and protests have awakened many Guatemalans politically,said Stephanie Rodr#237;guez,a lawyer in the capital. "I believe there is a process of politization in families," she said.

Does Ar#233;valo's anti-corruption stance threaten deep-rooted interests in Guatemala?

His anti-corruption stance and outsider status are threatsto deep-rooted interests in the Central American country,observers say. For many Guatemalans,Sunday's inauguration represents not only the culmination of Ar#233;valo's victory at the polls but also their successful defense of the country's democracy.

Ron has had a heart for Guatemala for 18 years. We are blessed to have Ron join us on the Power At Work team. Ron and Sheila have been to Guatemala several times now and know first hand how small things bring smiles. Ron spends every Saturday during the Yard Sale season looking for nearly new items to send to Guatemala.
