At HM POWER, we offer a wide range of eco-friendly energy solutions to meet various everyday needs and requirements. Our solar products include solar panels, solar water heaters, solar-powered lights, and solar-powered chargers. These products are designed to harness the power of the sun and convert it into clean, renewable energy.

Guangzhou Huami Solar Power Co., Ltd, is a company established in 2014, located in Guangzhou, China, mainly produces Solar controllers, Solar Flood Lights, Solar inverters, and Solar DC Kits. Every year, we export more than 5 million dollars in solar products all around the world, especially for African and Latin American countries.

At HM POWER, we believe in the power of solar energy to transform the way we generate and consume energy. Solar energy is a clean and renewable source of power that is abundant in the UAE. By harnessing the power of the sun, we can reduce our dependence on fossil fuels and contribute to a more sustainable future.
