

Interpower's Purchasing Manager, Larry Utterback, on today's global logistics: "This is an extremely challenging time for purchasers to get components on a global scale," Utterback said. "Especially now, logistics is in a constant state of flux, as some suppliers are having raw material and labor issues while others are not ...

Financed by the African Development Bank (ADB), the project is a key element of the Comoros Energy Sector Support Project (PASEC), at the heart of the development of renewable energy in the Comoros. It consists in increasing the generation capacity by about 1MW entirely produced in a sustainable way.
