PV module manufacturer located in Croatia, EU. We have been present in the global market since 2009 with a dedication to producing environmentally- friendly and affordable sources of energy, thereby contributing to the wellbeing of our planet

We, at SolarFeeds, have brought together nearly all the popular solar inverter wholesalers, who offer a large number of inverters at much cheaper pricing compared to the retail market. We are a multiple wholesale vendor e-commerce marketplaces, and our main objective is to connect solar installers with manufacturers/suppliers.
