

Christmas Island: Many of us want an overview of how much energy our country consumes, where it comes from, and if we're making progress on decarbonizing our energy mix. This page provides the data for your chosen country across all of the key metrics on this topic.

NASSAU, BAHAMAS - Energy and Transport Minister Jobeth Coleby-Davis brought more details on government and Bahama Power and Light's partnership with Pike Corporation's Bahamian Management Company Island Grid Solutions.

Island Grid's mission is to deliver best-in-class infrastructure to all islands. Our obsession to detail, combined with 60+ years of experience, is your assurance of excellence. We are not your typical contractor or implementer -- we're operational experts who are relentless in our pursuit of quality, both for the infrastructure we design ...

Under this Joint Venture partnership, the government will own 40% of a Special Purpose Vehicle (SPV) called Bahamas Grid Company. The other 60% will be owned by Island Grid Solutions, the local company formed by Pike Corporation.
