Is itechworld a good battery company?

I haven't got an iTechWorld battery but I recently purchased a lithium battery, and during my research it appeared iTechWorld was highly regarded as a quality company. A bloke on YouTube by the name of Explore Bound has previously done a review on them, but there's a whole bunch of other videos there too.

Should I buy itechworld or renogy?

Don't regret that purchase and it was significantly cheaper than iTechWorld (and still aussie made) Have a look at Renogy. I did a large lithium/solar install on my caravan last year. It was going to be between Itech and Renogy as I didn't want to fork out the cash Victron were charging.

Bouvet Island is the remotest island in the world; it is located at a very southern point in the Atlantic Ocean. The entirety of the 19 square miles is indeed desolate. The original discovery can be traced back to Jean-Baptiste Charles Bouvet de Lozier in 1739; however no one was able to find it due to his inaccurately recorded coordinates.

Bouvet Island is a remote, uninhabited island in the South Atlantic and is considered the most isolated island in the world. It is a dependent territory of Norway and covers an area of around 49 square kilometers. This land mass is just over 6 times the size of the island of Wangerooge. The total length of the coastline is 30 km.
