

What is the economic partnership between Ivory Coast and the UK?

The Ivory Coast and the UK signed an economic partnership agreement in 2020, which allows to maintain continuity in the trade relationship between both countries following the exit of the UK from the European Union. It's important to familiarise yourself with the tax and customs arrangements in Ivory Coast if you're exporting there.

What are interim EPAs with Ivory Coast and Ghana?

The European Commission initialled interim EPAs with Ivory Coast and Ghana in December 2007. These agreements were put in place to prevent disruption to their exports to the EU after the trade provisions of the Cotonou Agreement expired at the end of that month and provide additional time to negotiate a full regional EPA.

Who owns the Ivory Coast electricity company?

With 4 995 employees in 2022 and 54.02% owned by Eranove, the Ivory Coast Electricity Company (CIE) is a private provider that has been linked to the Ivory Coast's government by a concession agreement since 1990.

Is Ivory Coast quota free?

All imports from Ivory Coast and Ghana have entered the EU duty and quota free since the 1st of January 2008 (other than transition periods until 2010 for rice and 2015 for sugar). This is an improvement over the previous "Cotonou" trade regime.

How does the EU support sustainable cocoa production in Cote d'Ivoire?

Sustainable cocoa The EU supports the economic, social and environmental sustainability of cocoa production in Cote d'Ivoire in the framework of the EU Sustainable Cocoa Initiative. The Initiative contributes to the implementation of the national sustainable cocoa strategy and aims to:

What is the EU-Cote d'Ivoire partnership?

The EU-Cote d'Ivoire partnership builds on several agreements (Economic Partnership Agreement, Sustainable Fisheries Partnership Agreement and Voluntary Partnership Agreement on Forest Law Enforcement, Governance and Trade (FLEGT)), the National Development Plan 2021-2025 and the Global Gateway Strategy.

The Commission publishes agendas (when available), reports and other documents regarding the implementation process of the EU-Cote d'Ivoire Economic Partnership Agreement (EPA) as part of its commitment to a more transparent and inclusive trade and investment policy.

The Government of Ivory Coast has signed an agreement with the European Union (EU) and the French Development Agency (AFD) to finance an electrification project for the rural areas of the country. The EU is granting EUR6.89 million (4.5 billion CFA Francs) in funding to Ivory Coast through the AFD for supporting the electrification project.

Ivory Coast is powerful because it determines where 100% of the trade coming from the Cape of Good Hope goes, which, in turn, is where a majority of the money flowing from China and the Indian oceans passes through. Off the top of my head there are four centers of trade there that are crucial to hold. As a general rule, if you can add a ...

Die gesetzlichen Anforderungen zur Einbindung erneuerbarer Energie (ab dem 1. Januar 2024 Anhebung auf einen Anteil von 65 % bei Sanierung oder Neubau von Heizungsanlagen) nach dem Gebäudeenergiegesetz (GEG) sind mit den EC POWER Angeboten PHP(TM)-Kraftwärmepumpe, XRGI®-Blockheizkraftwerk, PMH(TM)-Wärmepumpe, XRGI® BIOGENIC und ...
