

Who is Jinko Solar?

Jinko Solar Co.,Ltd. (referred to as "JinkoSolar," stock code: 688223) is a globally leading PV module manufacturer and energy storage system integrator.

Where can I buy Jinko Solar panels?

Shop for Jinko solar panels (and many other brands!) today on the EnergySage Marketplace. Internationally, JinkoSolar Energy offers several different animal-named series of solar panels: the Swan Bifacial panels, Tiger high-powered panels, and their workhorse Cheetah panel.

Why should you choose JinkoSolar solar panels?

As you begin the process of selecting solar panels, insist on reliable, performance-proven EAGLE[®] Modules and EAGLE[®] Storage from JinkoSolar. Home and business owners add solar and energy storage to save on electricity bills, cut operating costs, and lock in energy rates.

Where are JinkoSolar solar panels made?

However, JinkoSolar recently opened a solar panel manufacturing facility in Jacksonville, Florida, where they manufacture the aptly named "Eagle" series of American-made solar panels. JinkoSolar panels and the Eagle series in particular are increasingly popular in quotes to solar shoppers comparing their options on the EnergySage Marketplace.

How long will Jinko Solar be around?

Based on Jinko Solar's huge size and profitability, we expect it to be around for many years; the same can't be said for many of its competitors. Finally, there is the ever-important matter of cost: Jinko Solar's panels are much cheaper than the priciest brands.

Where is Jinko Solar located?
