5 ???· Cornex New Energy Co.,Ltd. is a globally-oriented new energy innovation and technology company of lithium-ion battery, which focuses on the development, manufacturing and sales of traction battery and energy management system which includes electrochemical energy storage, electric vehicle, commercial vehicle, construction machinery and others.

ASTANA -- Kazakh business representatives and the Power Construction Corporation of China (POWERCHINA), a global leader in clean and low-carbon energy, water resources, and environmental construction, signed several significant projects worth \$165 million at a July 2 meeting of the China-Kazakhstan Entrepreneurs Committee.

Kazakhstan has made ambitious commitments to reduce its greenhouse gas emissions and increase the role of renewables, but achieving these goals requires overcoming its dependence on cheap domestic coal and addressing its lack of flexible generating capacity, according to a new policy review by the International Energy Agency.
