

KION Battery Systems (KBS), a joint venture between KION GROUP AG and BMZ Holding GmbH, has started production of lithium-ion batteries for industrial trucks. In the summer of 2019, the two companies ...

BMZ Holding GmbH plans to join forces with KION Group AG, a provider of intralogistics solutions, to form a lithium-ion battery joint venture. The joint venture will be under the name of KION Battery Systems GmbH.

The joint venture, KION Battery Systems (KBS), is being utilized to expand the production capacity of lithium-ion batteries (LIBs). LIB systems are quickly growing in demand in the intralogistics market, and in particular, Europe, the Middle East, and Africa (EMEA) region.

KION Battery Systems (KBS), a joint venture between intralogistics provider KION GROUP AG and battery manufacturer BMZ Holding GmbH, has started production of lithium-ion batteries for industrial trucks.

The development team and other KION experts are looking at the battery's entire life cycle: from the development of new proprietary battery systems and intelligent load management to reconditioning and ultimately recycling batteries, with the existing possibility to recover up to 95% of the raw materials used.

Electrifying Future: KION Battery Systems Opens Second Production Line for E-Mobility - The company, a partnership between KION GROUP AG and BMZ Holding GmbH, produces lithium-ion batteries for industrial trucks at its Karlstein plant

The joint venture, KION Battery Systems (KBS), is being utilized to expand the production capacity of lithium-ion batteries (LIBs). LIB systems are quickly growing in demand in the intralogistics market, and in particular, ...

KION Battery Systems GmbH mit Sitz in Karlstein ist im Handelsregister mit der Rechtsform Gesellschaft mit beschränkter Haftung eingetragen. Das Unternehmen wird beim Amtsgericht 63739 Aschaffenburg unter der Handelsregister-Nummer HRB 15392 geführt.

As KION Battery Systems - a joint venture between KION GROUP AG and BMZ Holding GmbH - we produce various types of lithium-ion batteries for industrial trucks in Karlstein am Main (Germany). With precision, high safety standards, and state-of-the-art technology, the batteries assembled at KION Battery Systems are of outstanding quality. And ...

KION Battery Systems (KBS), a joint venture between KION GROUP AG and BMZ Holding GmbH, has started production of lithium-ion batteries for industrial trucks. In the summer of 2019, the two companies announced a strategic partnership and the establishment of their own production facility in Karlstein am Main,

where the BMZ Group is headquartered.

The KION Cloud serves as an intelligent interface allowing service technicians to connect with warehouse trucks and other systems to ensure a smooth maintenance check. Additionally, our IoT experts develop a range of user applications and embedded software for a variety of platforms and specifications for made-to-measure hardware components.
