

Is litime a good battery charger?

Designed for powerful and portable, LiTime is light to carry and reliable to power your devices anywhere. Ideal for RVs, camping, solar, home energy storage, trolling motor and off-grid applications. Faster and more convenient to charge LiTime 12V 100Ah LiFePO4 battery! LiFePO4 battery charger, solar panel, or generator can be your options.

How much does a Li-time 12V battery cost?

Looks like a new self heating 12V from Li-time is \$273 with the 8% discount code. I'd not buy a 2 year old used battery that likely has been through unknown troubles to save \$8. If I did buy said battery though, I would test it the day of arrival. What is the warranty for these "like new" batteries.

Is the litime 100Ah a good battery?

Coupon code: Use code CampN for 6% off (thanks LiTime) See Also: LiTime 100Ah Mini Lithium Battery Review It's a very lightweight and compact LiFePO4 battery with all of the features I look for in a lithium battery. Bluetooth, LiFePO4, low-temp cut-off protection, a great handle, all in a small size.

How long will a litime battery last?

LiTime advertises that this battery will provide more than 4000 deep cycles over 10 years. The battery will still work after that many cycles, but it might only charge to 80% of its original capacity. It's impossible to say exactly since there are a lot of factors in play.

What is a litime battery?

Marine starting battery plus deep cycle performance, LiTime dual purpose battery offers 1200 MCA (Marine Cranking Amps), born for crank up fuel powered marine outboard motor. Self-heating technology for reliable charging in extreme temperatures (-20°C to 5°C / -4°F to 41°F) Smart Bluetooth for easy monitor...

Are litime batteries safe?

LiTime use the lithium iron phosphate (LiFePO4) cells, which are both very durable and safe to use. The low-temp cut-off protection will prevent charging below freezing temperatures, which will ensure the battery won't get hurt when used in colder climates. Below are the safe temperature ranges listed by LiTime.
