

What is Lista cabinet?

From maintenance storage to parts storage, LISTA has a wide spectrum of workspace and storage system solutions. Lista Cabinet is a performance-guaranteed modular storage drawer & toolbox solution that we match with applications support, knowledgeable customer service personnel, and a positive "can do" attitude.

What types of storage cabinets does Lista offer?

LISTA provides various specialty storage cabinets for motorsport garages and automotive service departments like lift control cabinets, reel storage cabinets, and sink cabinets. This allows every department to have all of its needed items stored in an attractive, functional unit.

Why should you choose Lista cabinets?

The extensive range of LISTA cabinets enables you to customise and add to your storage and workspace equipment. The high-quality steel cabinets can be easily integrated into a variety of working environments and individually adapted to your specific requirements.

How many drawer cabinets does Lista have?

They invested in a system from Lista consisting of 40 mid-width modular drawer storage cabinets, each featuring a space-efficient 47" wide by 28" deep footprint. All the cabinets are painted with ESD paint, which is critical in the storage of sensitive electronic components.

What are Lista overhead cabinets?

LISTA overhead cabinets are perfect as additional storage space for small parts, documents and more. They keep your stored goods ergonomically and conveniently stored at viewing height. Just mount them on the wall and in no time everything is just where it should be: neat and tidy. Configure now!
